Under the lights of Freeland's football field on Friday October 25, our 10th annual Homecoming game was played against the Merrill Vandals. This was also the time when Freeland High presented their queen and court to the public. To top the evening off, the Falcons went on to win the game.

## Cheerleaders Show Their Style.

During the summer all three of our cheerleading squads attended camps where they learned new cheers, chants, and mounts. The hours they spent during the week practicing pay off—the skills they display at games have shown us their interest in the teams they support. Here, each squad displays their favorite mount.

The topic for this year's debate was: "Should the method of selecting the Presidential and Vice Presidential candidates be significantly changed?" Since the debators are always being cross-examined, they must research both sides of the topic. Which takes many of studious hours.

As a vital part of every student at Freeland, sports has something to offer to everyone. To some it is a method of developing the body to its fullest extent and feeling satisfaction in that fact. To others it is a way in which one can express his school spirit by helping to spread respect and fame for the name of Freeland High School.

Running between five and ten miles a day is a lot of sweat and blisters and that's just what it takes to produce a successful cross Country Team. Under the watchful eye of Coach Dan Craig the Falcon's competed in fifteen dual meets being victorious in four of their starts.

With only a few returning lettermen the team had a most successful season, spurred on by the leadership of two Seniors Dan Craig and Pat Clarey.

Looking into the future coach Craig sees many potential runners. With next years returning lettermen he sees the possibility of a CML Championship.

# Ski Team Takes Second Place In Conference During Its First Season

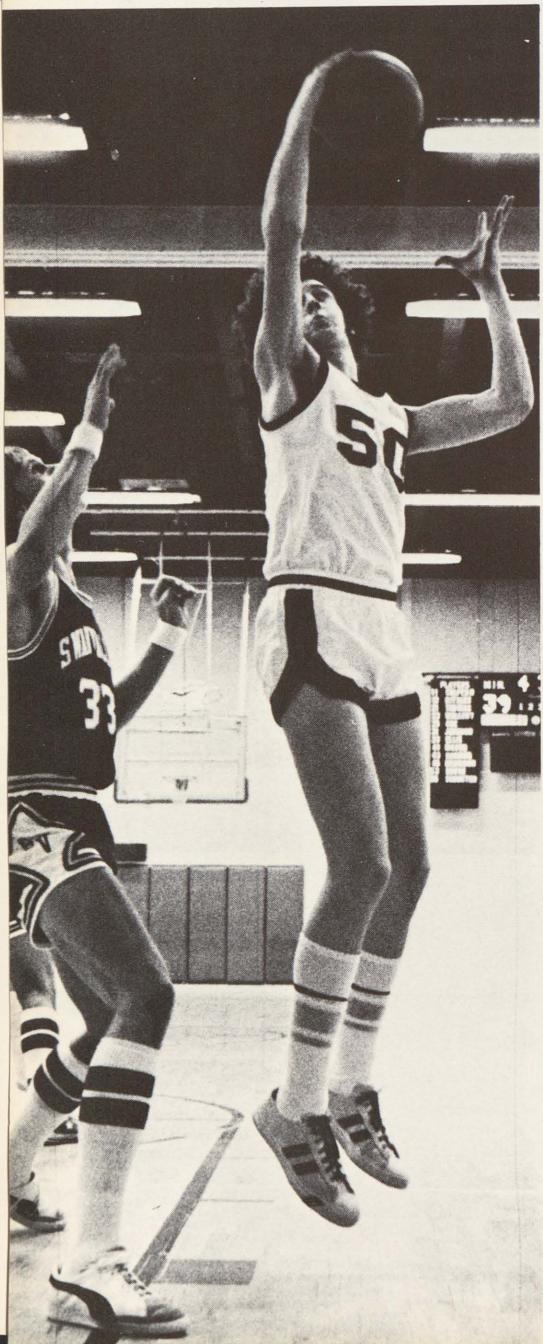

1975 Ski Team Members Were: Back (L-R) Mrs. Spence (coach), Mike DeCaire, Heidi Bintz, Tammy Purvis, Rick Lennox, Gala Hock. Front - Randy Wierda, Ron Williams, Jeff Kurn, Frank Proulx, Steve Potenberg. Missing from photo Kim Purvis, Mary DeCaire.

Even though this was the first regular season of competition for an official ski team at F. H.S., they proved themselves to be a conference power. All through the regular season, they placed first in their meets, and finished their season on a high note with the boys squad taking first place at the Conference meet, with the girls placing second in their division. As a team, they finished second behind tough rival Hemlock by just a few seconds.

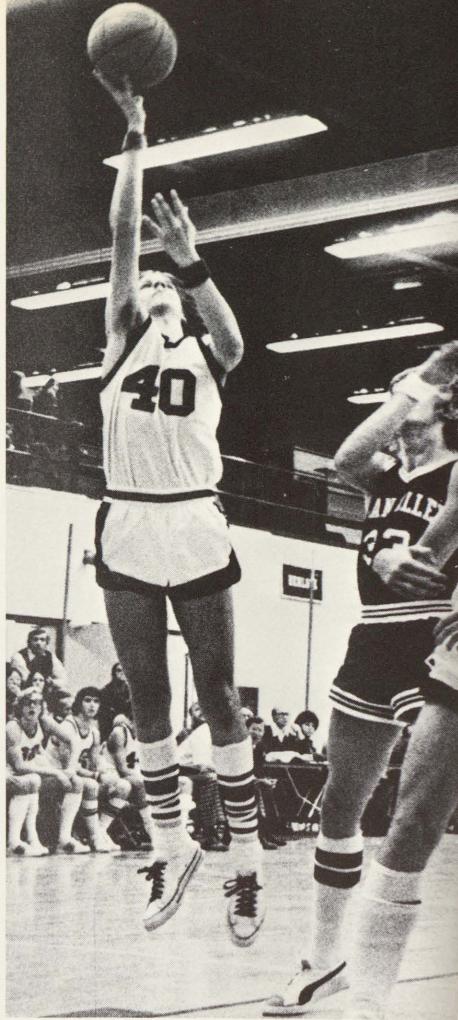

Congratulations on a great season skiers!!!

Tim Bartlett shows fine form.

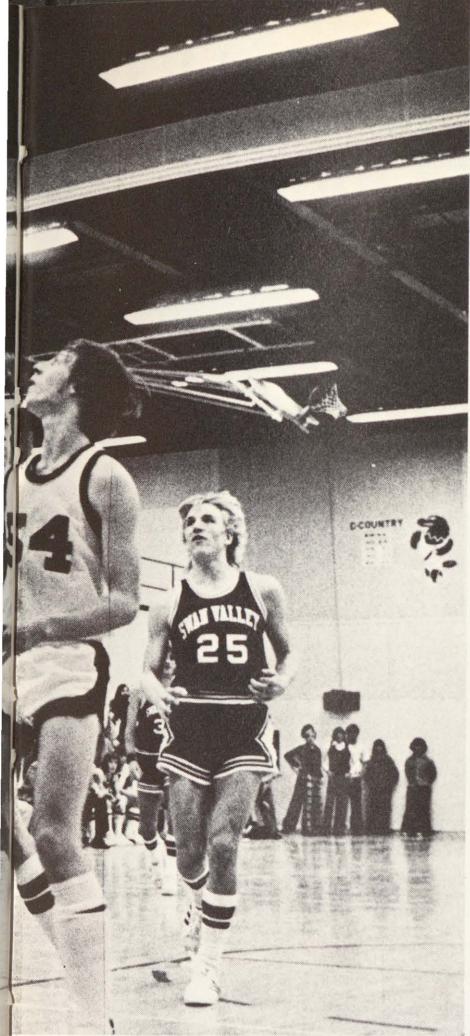

Tim Neuenfeldt goes high to raise the score.

Despite resistance by Swan Valley,

fires for two.

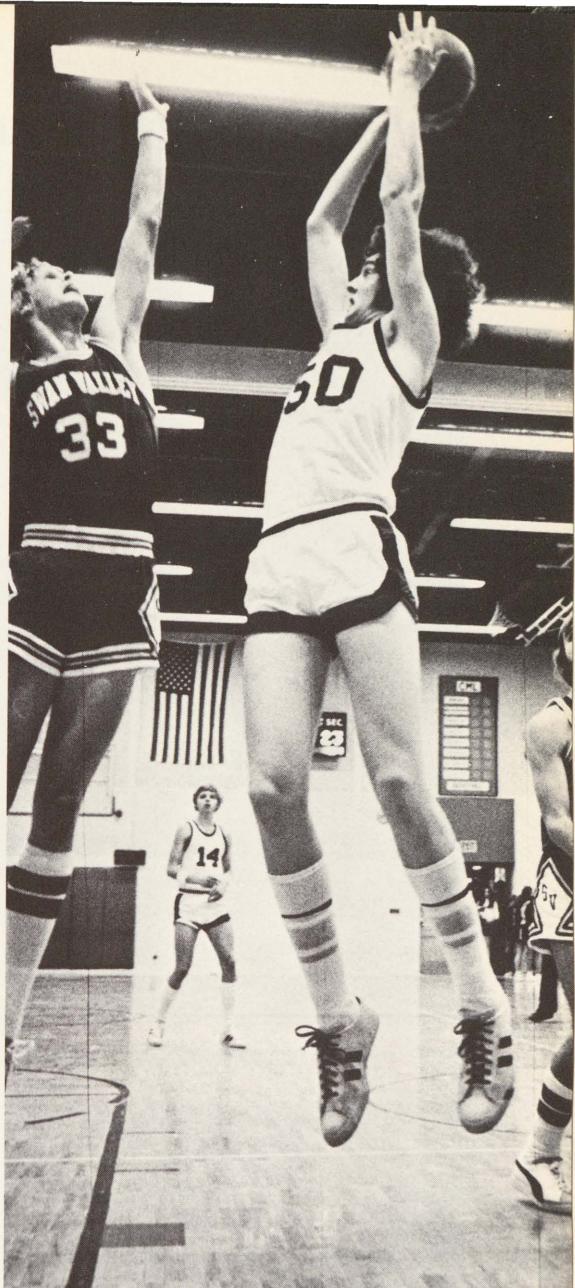

Fred Holubik moves for a steal.

The 1975--75 basketball team made a great show of determination and team effort. Our team grew in strength and spirit.

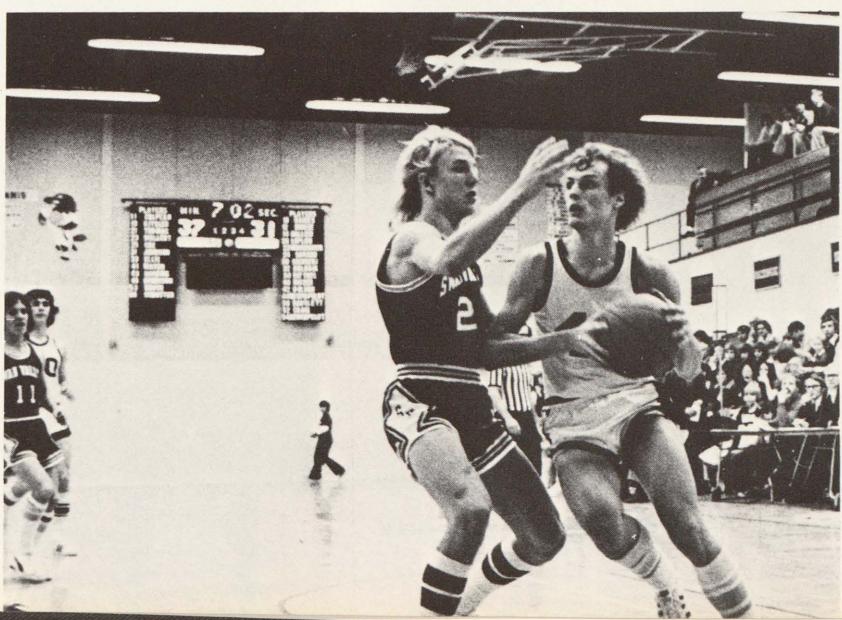

Undoubtedly the Hemlock game was the most outstanding game of the season for the squad. Behind the majority of the battle, the team combined opportunity with determination in the final moments and came up with victory FHS.

Dave Rames came off the bench to join the ranks of the starting five. Outstanding players of the season were Tim Neuenfeldt, Fred Holubik, and Carl Neuenfeldt.

Tim Bartlett's efforts spark many wins.

Tim Neuenfeldt eyes for an open man.

This year's Junior Varsity Team was led by 3 Juniors - Jon Reithel, Paul Dolson and Dean Luplow, who not only led in the statistics, but also on the floor. Admittedly, this was not the most successful season ever for our J.V.s, but much experience and poise was gained by the team members. Coming on strong at the end of the season, the team displayed this strength to their fans; showing us that next year's Varsity will be a team to expect great things from.

## Falcon Grapplers Place

Fiction: Next year--NO. 1!!! Fact: Would you believe that this year's record of 11 wins and 4 loses is the best since our 1968-69 season? Well, you should now, and of those were against class A and B schools! For a sport that isn't that publicized in our school, they're determined to be known. We have a very young team this year. Out of the 12 freshman that are on the team, 6 were regulars on the Varsity team. We should

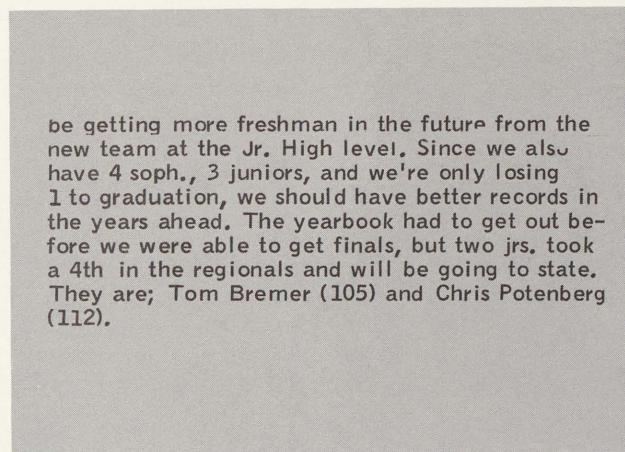

"PIN! PIN! PIN! PIN!"

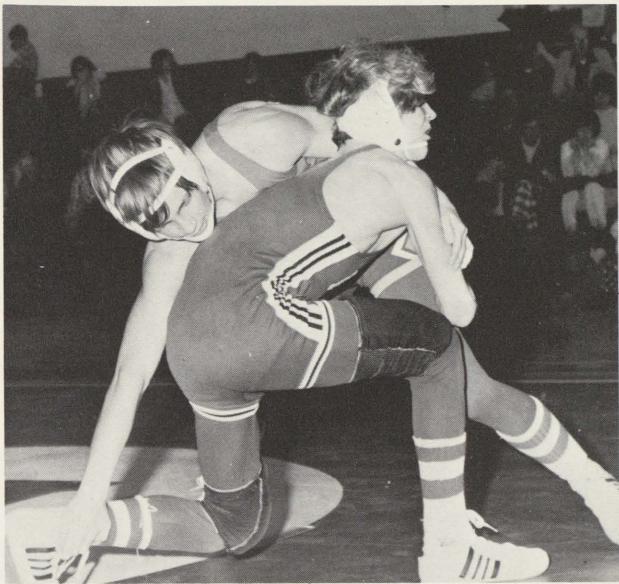

Randy Schultz applies the moves.

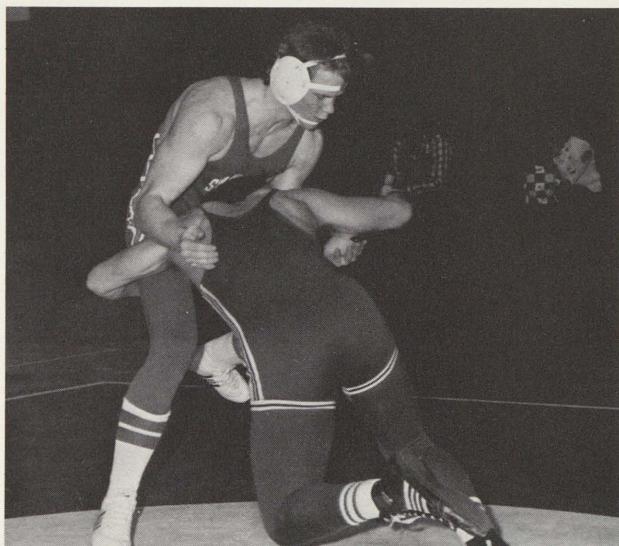

## 3rd In Conference

be getting more freshman in the future from the new team at the Jr. High level. Since we also have 4 soph., 3 juniors, and we're only losing 1 to graduation, we should have better records in the years ahead. The yearbook had to get out before we were able to get finals, but two jrs. took a 4th in the regionals and will be going to state. They are; Tom Bremer (105) and Chris Potenberg (112).
